

**The Triangle Chapter  
of ASHRAE  
presents:**

---

**Marbles Kids Museum  
Community Outreach & Sustainability Project**

**Saturday, June 15, 2019**

**9:00 AM – 2:00 PM**

[NOTE: the date for this has changed from May 11 to June 15]

---

Marbles Kids Museum is a non-profit children's museum located in downtown Raleigh, N.C and offers "unique hands-on interactive experiences that inspire children to be creative thinkers and active learners. Its mission is to "...spark imagination, discovery, and learning through play."

Join ASHRAE as we contribute to the development of children by improving the fun PLAY zone at Marbles. Our day of activity will primarily involve demolition, minor repair work, and cleaning. Please take a few hours out of your day to contribute to PLAY in the triangle community.

Lunch will be provided and a short documentary in IMAX will be scheduled for our attendance

Marbles Kids Museum  
201 Hargett St.,  
Raleigh, N.C. 27601
