

Reality Ministries Sustainability Project

Saturday November 14, 2015

Reality Ministries is a community-based non-profit that offers a variety of opportunities for participants to work, play, learn and grow together. Their mission is to create opportunities for teens and adults with and without developmental disabilities to experience belonging, kinship and life-changing love.

Join us for in this outreach to aid those in our community in need of assistance. The project will involve painting, weather stripping, and minor trim work. Please take a few hours out of your day to contribute to the triangle community

Reality Ministries, 916 Lamond Avenue, Durham, N.C. 27701
